DIRECTOR'S NOTES

One of the charms of The Sound of Music is the fact that it is one of the few Broadway musicals rooted in reality. It is the true life story of Maria Rainer and the Von Trapp family who escaped from Austria during the Nazi regime and sang their way to the United States. Maria Von Trapp lives to this day in Vermont.

We, in the cast and crew, wish that you, like the Von Trapps, may have the strength to climb your own mountain and find your own dream.

Nan Brien
